# OUR PLAYERS WOMENS

AMAZING EXPERIENCE

# CITIES: MADRID

Madrid is the capital and most populous city of Spain. The city has almost 3.4 million inhabitants and a metropolitan area population of approximately 6.7 million. It is the second-largest city in the European Union (EU). Magnificent and very safe city with great diversity of cultures. City with a great charm at a cultural and historical level where you live very well and with a great lifestyle. City with great opportunities at the sporting level thanks to its large number of professional clubs.

## CITIES: VIGO

**Vigo is a city and municipality in the province of Pontevedra, within the autonomous community of Galicia, Spain. Located in the northwest of the Iberian Peninsula, it sits on the southern shore of an inlet of the Atlantic Ocean, the Ria de Vigo, the southernmost of the Rías Baixas.**

**Spectacular city very nice and quiet. City where there are many people Portuguesa due to its proximity to the border of Portugal. The football club Celta de Vigo is historic and very representative for all the people of the city.**

## CITIES: GIRONA

**Girona is a city in northern Catalonia, Spain. The city had an official population of 103,369 in 2020. Girona is the capital of the province of the same name and also capital.**

**Girona is located very close to the Costa Brava one of the best and most touristic places in Spain. Very quiet city where football is very important for the city and they feel very represented with the club and country.**
