# TRAININGS IN ANDORRA

# INTRODUCTION

The intention of MSM Sports with this training program with a 1st or 2nd division club in Andorra is to offer our loyal players the opportunity to train with a professional club from another country, in this case Andorra, with the option to analyze if it could be an interesting place for the future for our players.

# ANDORRA

## MORE INFORMATION

Andorra is a country where football is currently experiencing significant development, having a 1st and 2nd division league. It is very important to highlight that it is part of UEFA, and as a member, its teams (champion, runner-up, and cup champion) have the opportunity to compete in European competitions such as the Champions League, the Europa League, or the Conference League.
